Artificial Intelligence (AI) Requirements

Taylor & Francis does not permit the use of Generative AI in the creation and manipulation of images and figures (including pictures, charts, data tables, medical imagery, snippets of images, computer code, and formulas), or original research data for use in our publications.

Please clearly acknowledge the Generative AI tool used with a statement including the following information: the full name of the tool used (with version number), how it was used, and the reason for its use.
